

IRA ROLLOVERS

MAKE A CHARITABLE IRA ROLLOVER GIFT TO GOD'S PIT CREW TODAY!

If you are age 73 or older, you can make gifts directly from your Individual Retirement Account (IRA) to God's Pit Crew without paying income tax on the withdrawal.

- You must be age 73 or older when the gift is made. For questions about the minimum age requirement exceptions, please contact the IRS or your financial institution.
- You must request from the IRA plan administrator a direct transfer of funds to God's Pit Crew for the gift to be tax-free (also known as a Qualified Charitable Distribution).
- Gifts can be used to satisfy your IRA's required minimum distribution once they begin.
- Each person may give up to \$100,000 annually.
- Gifts can be designated to a specific project or to the area of greatest need.

When instructing your IRA plan administrator about making a gift to God's Pit Crew, please request that your name and address as the donor be included with the check or contact the God's Pit Crew Development Department in advance to provide this information so that we may credit it to your account accurately and apply it to the project(s) of your choosing.

Thank you for making a lasting impact with your generosity!
